Paddling Southern Wisconsin: 83 Great Trips By Canoe And Kayak, 2nd Revised Edition (Trails Books Guide)

Synopsis

From powerful whitewater that surges and gushes through rocky rapids to leisurely stretches that flow gently past wildflowers, this book profiles trips for beginning, intermediate, and expert paddlers. Paddling Southern Wisconsin will guide you down some of the state's most alluring rivers, immersing you in its shifting landscape and infinite beauty.

Customer Reviews

I was happily surprised at the amount of information in this book. I was particularly looking for information on kayaking Wisconsin rivers that have few rapids. (recreational family touring)This book contained excellent maps, information on where to enter and exit rivers, areas that may need to be portaged, what types of rapids you will encounter (all the different classes of rapids), what you will see, etc. I am very happy with this book. I also purchased PADDLING NORTHERN WISCONSIN: 82 GREAT TRIPS BY CANOE AND KAYAK.

An absolutely superb resource for paddling in southern Wisconsin. So many rivers and lakes and so little time - this book helps you figure out where to spend that rare resource - your time on the water.

Well written material but the illustrations are too small to be of any value. I would be sure to buy it in paperback format for the illustrations to be useful.
