Weight Of Glory

Synopsis

The classic *Weight of Glory* by C.S. Lewis, the most important Christian writer of the 20th century, contains nine sermons delivered by Lewis during World War Two. The nine addresses in *Weight of Glory* offer guidance, inspiration, and a compassionate apologetic for the Christian faith during a time of great doubt.

Customer Reviews

Lewis's shorter works were generally originally composed as speeches or as articles for periodicals. Various sets of them were collected and published in book form both during his life and after his death. Trying to determine what works are in what collections is difficult - most works appear in more than one collection, some works appear under more than one title, and some collections appear under more than one title. To aid readers, in this review I've listed the works in this collection, with notes indicating other collections they have appeared in. Table of Contents: "The Weight of Glory" (1), (2), (3), (4) "Learning in War-Time" (1), (4), (5) "Why I am Not a Pacifist" (4), (6), (7) "Transposition" (1), (2), (3), (4) "Is Theology Poetry?" (2), (3), (4) "The Inner Ring" (1), (2), (3),

(4)"Membership" (1), (4), (5)"On Forgiveness" (4), (5)"A Slip of the Tongue" (2), (3), (4)Notes:(1)

The original, 1949 version of this work included only these works. The other works were added in the 1980 edition. Also, the 1949 version was published in the U. K. under the title "Transposition and Other Addresses".
