Sacred Secrets: Freemasonry, The Bible And Christian Faith

Synopsis

Who were Tubalcain, Jabal and Jubal and what is their significance for the Freemason? There is a general interest in the rituals of Freemasonry, generated in part by the apparently obscure references they contain. This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity. The new Mason is directed to a "serious contemplation of the Volume of the Sacred Law" but that is easier said than done without a grounding in the Scriptures, something that fewer and fewer people have. The historical and geographical setting of the Bible is explained here, making such contemplation easier for Mason and non-Mason alike. Mike Neville has systematically cross-referenced the most influential Chapters of the Bible to the ceremonies. It is his intention to get Freemasons to understand the ritual "not just to memorise and regurgitate" as well as to elucidate for the non-Mason. Sacred Secrets will aid the clergy, theologians and any other person interested in Freemasonry to see the links between ritual and scripture.

Customer Reviews

Book is very well written! It is one of the better books of Masonic Education that you can spend your money on. Even if you are not familiar with FM's Degree structure, the Biblical references are some of the most completely understandable. Easy to follow and cross-reference with Scripture and Biblical history. A definite, and excellent addition to anyone's library!

Meticulously researched, authoritative, valuable guide to Biblical reliance in formulation of Masonic ritual. While it deals primarily with English ritual, perhaps it will inspire similar work on this side of the pond

Neville successfully bridges the gap between the craft with events and key names from the bible, as well as unveil the secrets behind some of the most intrigue meaning within Masonry. Brilliant read indeed....

I enjoyed reading this book and found it most informative on Freemasonry. As a woman raised in a Masonic family I found it very interesting in explaining some of the items revered by Masons.

A bit early I received it 3 days ago and have only read the Introduction. Flipping through it looks interesting ask me again in 2 months when I have had time to read it and digest it.
