The New International Lesson Annual 2016-2017: September 2016 - August 2017

Synopsis

The New International Lesson Annual is designed for teachers who seek a solid biblical basis for each session and a step-by-step teaching plan that will help them lead their classes. It can be used with any student curriculum based on the Uniform Lesson Series. In many classes, both the students and teacher rely on the Annual as their companion to the Bible. Includes the CEB and NRSV translations. Over the four quarters of the 2016-2017 Sunday school year we will explore the themes of God's sovereignty, creation, love, and call. During the fall quarter we examine Isaiah, Hebrews, and Revelation to see how these books reveal the Sovereignty of God. Luke's Gospel, selected psalms, and Galatians will help us understand Creation: A Divine Cycle, our study for the winter. In the spring we will survey both the Old and New Testaments to discover that God Loves Us. We conclude during the summer with God's Urgent Call, a study of the way God spoke to certain judges, prophets, and people of the New Testament. Inside discover: Weekly Scripture reading and reflection questions to enhance the teacher's personal spiritual growth. Weekly activities that the learners can do beyond the classroom to live out what they have learned. In-depth background article for each quarter. Quarterly pronunciation guide. Additional quarterly reference material, such as maps, charts, or timelines. Quarterly ideas for putting one's faith into action. Annual teacher enrichment article. Annual index to background Scriptures.

This is an indispensable resource for anyone teaching a Bible class based on the Uniform

International Lesson Series. It provides background for the text, applications for daily life, and detailed lesson plan suggestions. I've used Annuals in this series for years of leading an adult Sunday school class; highly recommended.

Of the several sources I use preparing the Sunday School lesson, this is generally the best. It's precise, non-repetitive, informative and interesting. It's my favorite, and I have about tried them all.

Every year I purchase this for not only my personal study but also to enable me to prepare Sunday school lessons. I highly recommend. Shipped quickly.

Well rounded coverage of lesson scripture and commentary with ideas for discussion and action. Have used for years.

I put this to use Saturday night this week so I would be ready to actively participate in my Sunday School Class.
