Customer Reviews

I don't read nonfiction on a regular basis. I usually read thrillers, authors like Clive Cussler and James Rollins. I was given this as a gift and when I read it I loved it. I was raised in the mountains of Eastern, Kentucky and I felt like I was listening to stories told by my Granny. The author was able to switch from one subject to the next seamlessly. It was well written, very interesting and extremely sweet.

WOW!! Where do I start, this Review I related to her so many times, so I know she did suffer and life was so hard on her. But no matter how hard she always found something good in her life. I cried when she lost 2 of her children when they were small it broke her heart, but she kept it inside and still kept going because she had her other children to take care of. I wish she was still with us. I would have been so proud to have known her. Lora was a very strong beautiful and so full of love

Women and she shared it with everyone. Lora I know you are in Heaven with God and you are smiling down on everyone.

This was a very well written book with great little stories, some of which I could relate to coming from the south. Some of the stories brought tears to my eyes and some gave me a good giggle. I read it all in one day. Bravo to the writer. I've enjoyed all your books so far. I received this in perfect condition also and in a timely manner. Thank you to the seller as well. best regards, Sheila

This book is filled with memories of sweet , uneventful days. What probably seemed to be only important to the writer of each one, has now been shared and touched the lives of many. I enjoyed each passage and I know you will too. Good writing , easy reading.

Lora's Stories are told with heartfelt simplicity and honesty. I truly enjoyed reading this little book and wish Lora could have seen it published. She was strong and resilient and struggled through a lot of heartache and hard times, much like many other stalwart Appalachian folks. You will enjoy her story.

This was the story of a wonderful woman, who had a hard life thru no fault of her own. She lived her life with love and grace and faith. That cannot be said by very many folks. Thanks for sharing with us her story.

I loved these stories of growing up in the Appalachian Mountains. I knew exactly what Lora talked about when she relates the struggles of her family in the hills of Virginia and West Virginia. Thanks to the author for sharing his mother's stories.

I thoroughly enjoyed reading this little book. It brought back personal memories that I could relate to first hand being born and raised in the Appalachian Mountains.
