Anchored: A Lesbian Romance

Synopsis

Ellen Ellis can't get away. Not from her old hometown on Cape Cod, not from her lousy job at a dying restaurant, and not from the closet. When college friend Bri pays a visit, Ellen is forced to face all that she's missing, including her feelings for the beautiful lesbian vlogger. Can Ellen find the strength to make a future with Bri or is she destined to be anchored to the past?

Customer Reviews

I enjoyed this read. It wasn't complicated or bogged down with drama or anything...well, there was a little angst and a creepy cop guy but nothing too in depth and nothing to take away from Ellen and Bri. The story is told by Ellen, an out in college in at home waitress who feels life just passing by. When her college crush, Bri (up and coming vlogger) asks to crash with her a few days, Ellen is excited and terrified all at the same time. Now, Ellen must decide if she is brave enough to move forward in her life and go for what she wants or stay where she is and keep everything hidden. Read it. It's cute. And Ellen and Bri are very believable, realistic characters.

ProsGood writingCute storylineGood writing skills on the part of the authorsConNeeds more refined

character development The main character is a bit overly fond of self loathing and at a lot of points reminded me of that one girl we all encounter who hangs on to their one sided crush until it's awkward. They do end up together but this type of progression through me off and I wasn't able to enjoy the last half as much as I thought I would.

Easy, comfortable book. Enjoyed getting to know Ellen and Bri. I could empathize w/ Ellen, going to her uninspiring job @ the restaurant every day. It took courage for Bri to nudge their relationship past the just friends stage.

The romantic tension between Ellen and Bri builds nicely, and the story details well what it's like to live under the strange magnetism of Cape Cod. An excellent first book by Jen Clarke, I hope we see more from her. Enjoyed this read a lot!!!!

A nice, well-paced little story.
