Miss Match

Synopsis

When Samantha Monteiro launched Perfect Match, Inc. a few years ago, she never imagined her matchmaking business would be booming while her own love life floundered. When her business partner drags her out of hiding to attend the wedding of one of their successful client matches, she meets a dancer with a dark past and a penchant for secrecy who excites her in a way she hadn't thought possible. Samantha wonders if Lucinda Moss is the key to solving not one but two matches that have eluded Samantha since everything around her fell apart, or if she is destined to find love for everyone but herself. In a world where nothing is constant, Lucinda has learned to keep herself emotionally at arm's length and given up on the chance to find true happiness. Can the notorious Miss Match help her forget her troubled past?

Customer Reviews

I got an advanced copy of this book and it is AWESOME!!! I cannot believe this is a first novel for Riley; the story telling is sophisticated, thorough, believable, and just plain sexy. The story starts with Lucinda (a dancer now turned PR/Marketing exec) & Samantha (a Boston based Matchmaker) who meet at a wedding and hit it off. They meet up after the wedding when Samantha asks Lucinda for help with a current client, asking her for dance lessons to help the client build grace and confidence that will help the client find a match. The story, attraction, and romance builds along with concerns about whether or not they should take the risk being together. Samantha is hiding a past scandalous break up from going public and had used Lucinda's PR firm to help cover it up.

can they risk being together if this were to ever be leaked? How bad will it look if people find out that Samantha has had trouble with her own relationships â “ how can she be trusted to find love for others? Lucinda is also at risk because she has been newly appointed to head of the PR/Marketing firm and needs to make sure confidential cases stay confidential â “ plus she carries a dark past with a lot of loss and has to decide if she can put her heart on the line again, even for sexy Samantha. This book has excellent character development, flow, detail, chemistry, conflict, and believability. Riley tells the story in a way that we get to know each characterâ™s flaws, insecurities, weaknesses, dreams, and desires. The conflict builds well and is carried throughout the story and the conflict resolution is mature and realistic. As a reader you are transported in to the book and can see and feel the story play out.
