After vampires and werewolves, after wizards and fallen angels, a new breed of Angels is here to usher you into their dark world. An ancient, deadly, inescapable race. No one can see them. They're shadows of destiny. They're knights of death. They're the Subterraneans and they're here to claim our lives. Commanded by a mysterious congregation called the MÃ sala, the Angels of Death ensure that each man's destiny takes its due course on Earth. But what happens when love intervenes? Can an Angel of Death deny his own nature and challenge destiny? Can love rebel against fate? When Gemma's eyes first meet the dark, piercing gaze of Evan James, an ominous shadow creeps into her life, ultimately leading her to face her destiny. She doesn't realize Evan is one of Death's soldiers and that Death is summoning her. Her time is up: Gemma must die . . . and Evan has been sent to kill her. But what if she's the only one who can truly see him? Against every rule. Against fate itself. Against everything and everyone. A story of forbidden love and star-crossed destinies. Dark. Romantic. Dangerous. Fans of Veronica Roth, Stephenie Meyer, Cassandra Clare, and Lauren Kate will love this series by Elisa S. Amore. Scroll up & click the buy button now to find out...

## Customer Reviews

Touched is one of the most endearing romantic books I've ever read and one which totally took my breath away. Elisa S. Amore is a gifted writer and her prose is simply stunning. I was highlighting like a crazy person, as there is a multitude of sentences that are beautifully crafted. I adore her writing style and it's clear she is naturally talented. Gemma has lived in relative obscurity in Lake Placid with her hard-working diner-owning parents, and her two best friends - Peter and her books. She is an excellent student, who gets good grades and never gives her parents an ounce of trouble. She yearns to experience the type of sweeping, passionate romance she has read about in her books. She is completely oblivious to the fact that her BFF, Peter, is in love with her. He hasn't said anything to her because he's afraid of ruining their friendship. One fateful day in the woods changes everything. There she sees someone she shouldn't be able to: Evan, an Angel of Death who has been sent to kill her. Inexplicably drawn to one another, Touched is the story of their romance and how they deal with the obstacles and challenges to their love. This book is so romantic. It goes beyond swoon-worthy, and heart-stopping, into a realm all on its own. While it could be argued that it's insta-love, it's actually not. Although they feel an instant connection or attraction, their love story is a slow, gradual sensual build-up that had me feeling everything Gemma and Evan felt. Which

brings me nicely onto emotional complexity and characterisation. Both of which were superb in this book. It is told in both Gemma and Evan's point of view, which I always love, and the emotions bled off the pages of my Kindle. I felt every emotion skin-deep, heart-deep.

To start off my review, I just want to say that I enjoyed reading this book sent to me by the author. I do not usually read paranormal/romance books, but this one blew me away in a sweep. I've been fascinated with books that centralize on angels, or in this situation--angels of Death. This translated novel revolves around a normal teenager named Gemma who suddenly encountered a mysterious presence wherein apparently, she's the only who experienced this. Ever since this happened, she's been delusional and lost in her own thoughts. After this Angel of Death, Evan, interfered a lot of times with Gemma, she felt connected with him, and is slowly falling in love with him. I definitely enjoyed reading this book. I'm even surprised that even the book being translated, it was still as amazing as it should be. This book is divided into a dual point-of-view, being Gemma's and Evan's, which gave a huge advantage to the book. It was fun reading from a human and an angel's perspective. The thing is, the attachment between the character and myself as a reader was intact. I love how the characters were written; it felt like they were the fictional characters who I really want to be with and hang out with. Actually, all the characters felt like my fictional group of friends, and it was fun hanging out with them while reading this. Not to mention how beautifully this book was written. The translator did a great job here, definitely commendable. The characters, the story and the dialogue were greatly crafted with an interesting concept that is enough to pull me into their world where angels of death exist to take away lives, and it felt like they took my life for me to live there. I really recommend this book, and you should try to start reading this book.
