Title: A World of NewSeries: A Shade of VampireDesignation: Book Twenty Six of a Multi-Novel Serial, NOT a Standalone ReadAuthor: Bella ForrestGenre: Young Adult Paranormal Romance

Reading Platform: Kindle UnlimitedMy Rating: FIVE CAPTIVATING STARS *****A World of New by Bella Forrest is the twenty-sixth release in the spellbinding A Shade of Vampire Series and has totally left me breathless - again! Like thousands of my fellow Shaddicts around the world, I've been hooked from the very first book of the series and now anxiously await each new release. And it's no surprise that Bella has delivered another riveting adventure that curls our toes, makes our hearts pound and keeps us begging for more! This is a beautifully written young adult supernatural/fantasy/adventure saga unlike anything I've ever read. The story is well crafted, imaginative, thrilling, fast paced, action packed, suspenseful, sweet, romantic and at times, also

dark and mysterious. Whew, what a mouthful, but these are only a few of the words that come to mind after reading this incredible chronicle of the Shade, its inhabitants and their enemies. The narrative is exceptionally well written in the first person with multiple points of view. Each chapter is told by one of the primary characters (and there are many), which I believe gives more depth, intensity and perspective to the story adding vital insight into their thoughts, fears and motivations. The dialogue is smart, well executed and flows effortlessly. Although the premise and plot for the series is intriguing as well as compelling, it's truly the magnificent cast of larger than life characters that makes the biggest impact. They are well developed, fascinating, captivating, engaging, endearing and quite literally, out of this world!
