Title: A Game of Risk Series: A Shade of Vampire Designation: Book Thirty of a Multi-Novel Series (Book Six of Season Four), NOT a Standalone Read, Contains Cliffhanger Author: Bella

Forrest Genre: Young Adult Paranormal Romance Reading Platform: Kindle Unlimited My Rating:

FIVE CAPTIVATING STARS ***** A Game of Risk is the thirtieth riveting release in the international bestselling A Shade of Vampire Series and Bella Forrest has totally left me totally breathless - again! Like thousands of my fellow Shaddicts around the world, I've been hooked since the first book of the series and now eagerly await each new release. And it's no surprise that Forrest has delivered another gripping adventure that curls our toes, makes our hearts pound and keeps us begging for more! This is a beautifully written young adult supernatural/fantasy/adventure saga unlike anything I've ever read. The story is well crafted, imaginative, thrilling, fast paced, action packed, suspenseful, sweet, romantic and at times, also dark and mysterious. Whew, what a

mouthful, but these are only a few of the words that come to mind after reading this incredible chronicle of the Shade, its inhabitants and their enemies. The narrative is exceptionally well written in the first person with multiple points of view. Each chapter is told by one of the primary characters (and there are many), which I believe gives more depth, intensity and perspective to the story adding vital insight into their thoughts, fears and motivations. The dialogue is smart, well executed and flows effortlessly. Although the premise and plot for the series is intriguing as well as compelling, it's truly the magnificent cast of larger than life characters that makes the biggest impact.
