Customer Reviews

This is a great mix of books some of which are the first of a new series by the author. I find box sets a wonderful way to find new authors and new series by already loved authors. I enjoyed them all. If you enjoy exciting stories this is for you. Yes some of the books are in other sets but well worth a second read. The books and authors are:

A Tiger's Claim by Lia Davis
The Scarlett Legacy by K.N. Lee
Tiger Time by Marissa Dobson
Healer's Fate by Beth Caudill
Bearly Smitten (The Alpha's Bride

Book 1) by Misha Carver Reluctant Revenge - Under the Demon's Skin by Xandra James Feral - A Many Lives Story by Laxmi Hariharan The Beta's Mate by Bethany Shaw Night Falls by Nicole Morgan Wounds to Bear (Heart of The Bear Book 1) by Lily Mariel received a copy of this book in exchange for a review. The opinions are honestly my own. Judy

I think this is a really good story. Jed is totally alpha and his bear wants his unavailable, off-limits new employee. Carrie has a dangerous past that she needs to move on from and is slowly trying to become more independent as she continues to wait for her boyfriend to return. Carrie isn't a totally pushover though and fights back when being mistreated at the office, she's attracted to Jed but since he's her boss, he's off limits plus she already has a fiancé. Jed's attraction to Carrie is totally out of control, she knows he's just a womanizer but decides to support him with a family issue since the sparks are already flying, wonder where this is heading??... I didn't realize that this was a serial but it's a very good beginning and great plot build-up, I definitely want to read more to find out what happens next.

I actually won a copy of this in an author's giveaway and must say it's the gift that keeps on giving. Some of the authors are new to me and it will certainly not be the last time I read them. This book is packed cover to cover with some very talented authors there was not one story I didn't like in fact several of them had me looking for backlists. Something for everyone shifters galore

A box set of hot shifters and mates. Some of these books have been released before but all a hot read. Try the set and find some new favorite authors.
