Rose In Bloom (Sex And The Season: Two)

Synopsis

Wiltshire, England 1853 Lady Rose Jameson knows her place—respect authority and convention and marry a suitable member of the peerage. Lord Evan Xavier, the second son of the Earl of Brighton, possesses the necessary pedigree, but though Rose enjoys his company, the spark she craves is missing—the spark she feels with handsome commoner Cameron Price. Cameron has accepted his lot in life—to care for his widowed mother and two younger sisters. Instead of writing the music he loves, he's destined to work the land his family leases from the Duke of Lybrook—and deal with his overwhelming feelings for the duke's sister-in-law, Lady Rose. When Cameron's sister becomes ill, he needs money quickly, and his fate is further sealed. He must say goodbye to Rose forever. But circumstances and the appearance of an elderly stranger may change both their lives.

Customer Reviews

Sigh—Lily Hardt's books are my undeniable guilty pleasure. So this book starts a few weeks after Lily and Daniel have become engaged. If you read the first book then you know Daniel had just commissioned the sexy commoner Cameron Price, a tenant on his land, to compose a song for Lily as a wedding gift. This commission places Rose, Lily's sister, in close quarters with the handsome yet somewhat bitter Cam as she is a musician who will be playing the song on the pianoforte. Over the course of the few weeks that Rose has spent with Cameron there is a magnetic chemistry between them shimmering beneath the surface. However Cameron's disdain for the upper

class and his station in life has skewed not only his perception of what could be with Rose but has also pushed her away from him. One fateful night when the two are brought together under the stars the attraction and love for one another finally breaks free. Soon both Cam and Rose find that their love for one another will put them to the ultimate test, will it survive the strain of monetary stations or the rival pursuer of Rose's affections? Will their love remain faithful or will class divide them so far pushing them into the arms of another? Well you will just have to read and find out, no won't you ;) I love Helen Hardt's regency stories. Her stories are heavily focused on testing the strength of love between two people, throwing just about anything she can to stand in the way and seeing how the two characters can rise above it. It provides just enough angst to get the reader riled up, just enough emotion to make you weep and just enough unfiltered love to make you melt. AND let's not forget the sexy as hell love scenes in this book, talk about HOT! Some of the scenes are scorching and will totally get your knickers in a bunch.

I loved 'Lily and the Duke'; the first book in Helen's Historical Romance series, so when I got asked if I'd like to read and review 'Rose In Bloom' I practically jumped at the chance. And Helen did not disappoint. She writes these books with such grace and finesse, that you feel as though you've been transported back in time and are walking among the characters. You feel every bit of passion, anguish and love emanating from the pages. It envelops you, and leaves you grasping at the hopes that these two, wonderfully in love couple get to have the HEA they both deserve. We first meet Rose and Cameron when they are thrust together to produce a commissioned Waltz, for the Duke and Lily's wedding. Cameron being the composer, while Rose performs it on the Pianoforte. From that moment and the weeks that followed, feelings between the two have been growing beneath the surface. However, with them being from different 'stations' it is not the done thing. But one night, after a little bit of Dutch courage, their love and affections for one another finally wins out beneath the stars. To finally embrace him, feel him against her, filled Rose with Joy and agony. If only this moment could last forever. But, it's not all plain sailing. With the forces of conformity against them, their love is tested to its limit. Will love win out or will the strain of monetary stations prove to be too much? You're my muse, the other side of my song. I need you. I love you. ~ Cam 'Rose In Bloom' is a story that will pull at your heartstrings. You will fall in love with Rose and Cam, as well as the rest of the characters. From their unabashed behaviour and humorous conversations, they are the perfect blend of love, wit and loyalty.
